### **Judge's Comments:**

The Boghill Herd had a very good day – deservedly so. Best in show Boghill Dakota is a very correct dairy goat with an outstanding milk yield of 7.70kg over the day. She is a tall, upstanding dairy goat with a tremendous yield for a first kidder. Reserve Best in Show was Clagganroad Emma, also milking tremendously well with 7.3kg over the day and a very smart second kidder. There were some promising youngstock throughout the classes. A very pleasant and hospitable show.
